

Link Solutions, Inc. Honored as Finalist for the 2011 Helios HR Apollo Awards

March 4, 2011 – Link Solutions, Inc., a rapidly growing provider of high-end Technical and Management solutions to the federal government, proudly announced today that it has been named a finalist for the 2011 Helios HR Apollo Awards. This award recognizes employers in the Washington metropolitan region that invest in employee development initiatives and make an impact. Link Solutions, Inc. is one of seven finalists in the Emerging Companies category.

“This year’s finalists stand out as the D.C. region’s best in executing impactful human capital management programs,” said Kathy Albarado, President and CEO, Helios. “We congratulate Link Solutions, Inc. on being named a finalist and look forward to coming together in June to celebrate all the finalists.”

Link Solutions, Inc. was selected as a finalist by an independent panel for its support of employee development initiatives and its ability to communicate the overall impact of these programs. Specifically, Link Solutions, Inc. was evaluated based on the following criteria:

- Employee on-boarding process;
- Opportunities for mentoring;
- Innovative programs or opportunities to develop leadership skills through charitable community involvement; and
- The impact of a program(s).

“I’m very pleased that the employee development programs of LSi are recognized as honorable and impactful, our best resource is the level of talented professionals we provide for program delivery, and our commitment to our Team for personal and professional growth is the cornerstone to our success.” said Bhupesh Wadhawan, President and CEO, of Link Solutions, Inc. “I am proud of our company’s standards and it’s truly an honor to receive this recognition.

Helios will honor the finalists and announce the winners at the Apollo Awards breakfast ceremony on Wednesday, June 1, 2011 at the McLean Hilton in McLean, Va.

About Link Solutions, Inc.

Since 2006, Link Solutions, Inc. (LSi) has provided the U.S. government with mission critical solutions by supporting our employees and partners as an engine to drive the customers’ mission.
