Link Solutions, Inc. Moves Corporate Headquarters to Reston, Virginia

Reston, VA – June 01, 2009 – Link Solutions, Inc. (LSi), a rapidly growing provider of high-end solutions to the federal government, announced today that it will move all corporate employees to its new corporate headquarters at 12007 Sunrise Valley Drive in Reston, VA. CBRE represented LSi in governing a multi-year lease, enabling a significant expansion of corporate facilities.

John Barrass, Chief Operating Officer, explained, “After business expansion of several new contracts, the need to consolidate our infrastructure and provide an environment for employees that is conducive to their professional well-being became a top priority for us. In addition, we have several quality assurance objectives, such as ISO 9001-2008 and CMMI Level 2, which will benefit from a unified environment thereby enhancing the level of performance-based results for our clients.”

The new headquarters offers a convenient location to clients, employees, and partners, with easy access to commuter arteries and airports in the Washington metropolitan area.

"Our new headquarters office in Reston will allow us to accomplish an important operational and cultural objective of consolidating our team under one roof, with room for expansion," said Bhupesh Wadhawan, Founder and CEO of LSi. We're extremely pleased to continue to be headquartered in the Commonwealth and Fairfax County."

In the year following the move, the company plans to increase its staff to 200 with many of those employees coming from Virginia.

About Link Solutions
