Link Solutions, Inc. Continues its Impressive Win Streak

Reston, VA – Marcy 01, 2009 – Link Solutions, Inc. (LSi), a rapidly growing provider of high-end solutions to the federal government, announced today that in recent weeks, LSi has won more than \$10 million in new business.

Highlights include:

- A multi-year PRIME contract to provide business operations services to a Department of Defense agency worth up to \$5.5 million.
- A multi-year PRIME contract to provide Software Development services to the US Department of State worth up to \$5 million.
- A \$3.8 million, three-year contract to provide IT Infrastructure Support services to US Department of State.

“It’s been a tremendous period here at LSi, with key wins that reach across our entire organization,” said Bhupesh Wadhawan, LSi Founder and CEO. “Our employees have rallied together to deliver unparalleled support and services to our customers, and our customers have noticed. These wins are just the beginning of what promises to be a very bright future for LSi.”

About Link Solutions

Since 2006, LSi has provided the U.S. government with mission critical solutions — supporting our employees and Partners as an engine to drive the support to customers’ missions. Solutions are developed in our core competencies of information technology, security solutions and Business Operations. Headquartered in Reston, Virginia, LSi is committed to ensuring repeatable processes with high-quality, low-risk results for our customers.
